

The massacre remains a matter of great historical, cultural and spiritual importance to the Cheyenne and Arapaho Tribes, and is a pivotal event in the history of relations between the Plains Indians and Euro-American settlers.

The effort to establish the Sand Creek National Historic Site was led by former Senator Ben Campbell of Colorado. It has gone through several stages:

The Sand Creek Massacre National Historic Site Study Act (Public Law 105-243) directed the National Park Service, in consultation with the State of Colorado, the Cheyenne and Arapaho Tribes of Oklahoma, the Northern Cheyenne Tribe, and the Northern Arapaho Tribe, to complete two tasks. First, the Act directed the Park Service to "identify the location and extent of the massacre area." Second, the Act directed the Park Service to prepare a report that assessed the national significance of the Sand Creek Massacre site, the suitability and feasibility of designating it as a unit of the National Park System, and a range of alternatives for the management, administration, and protection of the area.

Following completion of these studies, Senator Campbell introduced legislation to authorize the establishment of the Sand Creek Massacre National Historic Site as a unit of the National Park System. Enactment of this bill is an important step toward completing that effort. I urge its approval by the House.

Mr. UDALL of New Mexico. Mr. Speaker, I yield back the balance of my time.

Mr. FORTUÑO. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Puerto Rico (Mr. FORTUÑO) that the House suspend the rules and pass the bill, H.R. 481, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

The Clerk read as follows:

(e) SUSPENSION FOR MISREPRESENTATION IN FUNDRAISING.—The Secretary may suspend the authority of the persons selected under subsection (b) to establish the memorial authorized by subsection (a) if the Secretary determines that fundraising efforts relating to the memorial have misrepresented an affiliation with the memorial or the Federal Government.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from New Mexico (Mr. PEARCE) and the gentleman from New Mexico (Mr. UDALL) each will control 20 minutes.

The Chair recognizes the gentleman from New Mexico (Mr. PEARCE).

GENERAL LEAVE

Mr. PEARCE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 1084, the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New Mexico?

There was no objection.

Mr. PEARCE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, House Resolution 1084 introduced by the gentleman from New Hampshire (Mr. BRADLEY) would authorize the construction of a memorial at the Antietam National Battlefield to members of the New Hampshire Infantry that fought in the Battle of Antietam. The bill directs the Secretary of the Interior to select persons responsible for the establishment of the me-

morial and prohibits the use of Federal funds in the design, acquisition, preparation, and installation of the memorial. Additionally, the Secretary must approve the size, design, and inscriptions placed on the monument. Once the memorial is in place, the Secretary will accept responsibility for maintenance, but will be permitted to accept donations into a specific account for the New Hampshire memorial.

I urge passage of the bill.

Mr. Speaker, I reserve the balance of my time.

Mr. UDALL of New Mexico. Mr. Speaker, I yield myself such time as I may consume.

(Mr. UDALL of New Mexico asked and was given permission to revise and extend his remarks.)

Mr. UDALL of New Mexico. Mr. Speaker, as the majority has explained, H.R. 1084 authorizes the establishment of a Civil War Memorial to New Hampshire soldiers who fought at the Battle of Antietam in 1862.

Evidently, New Hampshire is the only State that participated in the Battle of Antietam that does not have a memorial to its soldiers at the site. The citizens of New Hampshire are proud of their ancestors' participation in the battle and would like to commemorate their participation.

Mr. Speaker, we have no objection to the adoption of H.R. 1084, as amended, by the House today.

Mr. Speaker, I would like to thank the majority and minority staff of the House Resources Committee, and especially Rick Healy of the Resources Committee, for their diligent work on this bill.

Mr. Speaker, I yield back the balance of my time.

Mr. PEARCE. Mr. Speaker, I also thank the staffs from both majority and minority to get this bill through.

Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New Mexico (Mr. PEARCE) that the House suspend the rules and pass the bill, H.R. 1084, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

Section 10(a)(3) of the National Fish and Wildlife Foundation Establishment Act (16 U.S.C. 3709(a)(3)) is amended by inserting “, or to a recipient of a grant provided by the Foundation,” after “made to the Foundation”.

Effective September 30, 2015, section 10(a)(1) of the National Fish and Wildlife Foundation Establishment Act (16 U.S.C. 3709(a)(1)) is hereby repealed.

The SPEAKER pro tempore. Pursuant to the rule, the gentleman from New Mexico (Mr. PEARCE) and the gentleman from New Mexico (Mr. UDALL) each will control 20 minutes.

The Chair recognizes the gentleman from New Mexico (Mr. PEARCE).

GENERAL LEAVE

Mr. PEARCE. Mr. Speaker, I ask unanimous consent that all Members may have 5 legislative days within which to revise and extend their remarks and include extraneous material on H.R. 1428, the bill under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from New Mexico?

There was no objection.

Mr. PEARCE. Mr. Speaker, I yield myself such time as I may consume.

Mr. Speaker, I am pleased to support H.R. 1428 introduced by the gentleman from California (Mr. POMBO), the distinguished chairman of the House Resources Committee, which extends the existing authorization levels for the National Fish and Wildlife Foundation.

Since its creation in 1984, the National Fish and Wildlife Foundation has funded more than 6,420 conservation projects. These efforts have been coordinated with more than 1,800 different conservation organizations. The fundamental goal of these projects has been to increase resources for fish and wildlife conservation, develop innovative conservation solutions, respect private property rights, and sustain healthy ecosystems.

Unlike most conservation groups, this organization requires its grantees to sign an agreement stipulating that no Federal funds will be used for lobbying or litigation purposes. Instead of simply talking about conserving critical habitat, the foundation has accom-

plished that effort by taking their limited Federal dollars, and, through its challenge grant approach, generating over \$900 million in private matching funds. This is a remarkable achievement.

H.R. 1428 is a simple, noncontroversial and bipartisan bill. I urge an aye vote.

Mr. Speaker, I reserve the balance of my time.

Mr. UDALL of New Mexico. Mr. Speaker, I yield myself such time as I may consume.

(Mr. UDALL of New Mexico asked and was given permission to revise and extend his remarks.)

Mr. UDALL of New Mexico. As stated by my friend and colleague the gentleman from New Mexico (Mr. PEARCE), the overall purpose of this legislation is to reauthorize the appropriations and to make minor technical and clarifying changes to the National Fish and Wildlife Foundation Establishment Act.

H.R. 1428 will help ensure that this important congressionally chartered foundation continues its successful work in supporting effective on-ground conservation partnerships, not only in my State of New Mexico, but also across the country.

I urge Members to support this noncontroversial bill, and I thank the majority and minority staff of the Resources Committee, and especially Dave Jansen.

Mr. BRADLEY of New Hampshire. Mr. Speaker, I rise today in support of H.R. 1084, a bill I introduced regarding a defining historical event for my State of New Hampshire, and indeed, all of the United States. The American Civil War was the deadliest war in all of American history with casualties totaling more than all other American Wars combined. The bloodiest day of the bloodiest war came on September 17, 1862 just outside the small town of Sharpsburg, Maryland. This battle involved 93,000 men and resulted in 23,000 American casualties on the fields surrounding Antietam Creek. The battle of Antietam, even today, is the single most deadly day in all of American history. Among the soldiers fighting that day were men of the Fifth, Sixth, and Ninth New Hampshire Volunteer Infantry Regiments and the First New Hampshire Light Artillery Battery. Unfortunately, these brave men who fought and died in the Battle of Antietam do not have a marker on the field to signify their sacrifice. Although there are over 400 monuments, tablets and markers on the field of battle, none are dedicated to the brave men who fought and died that early fall day. As the 150th anniversary of the Civil War is approaching, I ask that the House help correct an unfortunate oversight and bring deserving recognition to these soldiers.

In this effort, Congressman BASS and I have introduced H.R. 1084, which would authorize the establishment of a Memorial at Antietam National Battlefield for the New Hampshire soldiers who fought in the historic battle. Importantly, this bill does not authorize any Federal appropriations, nor require any local municipality in Maryland to help finance the costs of the construction or maintenance of the monument. Any monument built and main-

tained at the Antietam National Battlefield Park would be entirely paid for by private sources. Additionally, the design, size, and location of any monument authorized under this bill would be at the total discretion of the Secretary of the Interior and any proposals that do not meet their desires may be rejected. Citizens of New Hampshire have passionately expressed to me, through both direct conversations as well as State passed legislation, that they would relish the opportunity to at last place a deserving monument on the battleground at Antietam.

In closing, I would like to call to mind an excerpt from a report issued by a correspondent of the Manchester Daily Mirror on September 20, 1862, three days after the horrific battle:

For two hours there was never sharper musketry heard or seen, and New Hampshire blood flowed freely in the contest. The Ninth suffered terribly but never flinched, and every man stood before the awful carnage without one thought of yielding.

Mr. Speaker, these men exemplified the steadfast bravery that is a hallmark of American soldiers across generations. On behalf of the citizens of New Hampshire, I ask for the assistance of the House in helping to furnish a proper monument to these commendable Americans.

Mr. UDALL of New Mexico. Mr. Speaker, I yield back the balance of my time.

Mr. PEARCE. Mr. Speaker, I have no further requests for time, and I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from New Mexico (Mr. PEARCE) that the House suspend the rules and pass the bill, H.R. 1428, as amended.

The question was taken; and (two-thirds having voted in favor thereof) the rules were suspended and the bill, as amended, was passed.

A motion to reconsider was laid on the table.

NATIONAL GEOLOGIC MAPPING REAUTHORIZATION ACT OF 2005

Mr. PEARCE. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 2362) to reauthorize and amend the National Geologic Mapping Act of 1992, as amended.

The Clerk read as follows:

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. SHORT TITLE.

This Act may be cited as the “National Geologic Mapping Reauthorization Act of 2005”.

SEC. 2. AMENDMENT REFERENCES.

SEC. 3. FINDINGS.

Section 2(a) (43 U.S.C. 31a(a)) is amended as follows:
